Can I Reply to Texts on the Moto Watch 120?

Inas B. - 2025-10-10 - Product Features

At this time, the Moto Watch 120 doesn’t support replying to text messages directly from the watch.

You’ll still receive **notifications for incoming messages**, and you can **read them right on your watch**, but to reply, you’ll need to use your phone.

We’re always exploring new features and improvements, so keep an eye out for future software updates.

If you have any questions or need help, our team is here for you.
