Managing Notifications on Your Moto Watch 120

Inas B. - 2025-10-10 - [Troubleshooting & Setup](#)

Stay connected and informed by customizing the notifications you receive on your **Moto Watch 120**. Here's how to set them up and manage them effectively.

Setting Up Notifications

Enable Bluetooth

Make sure Bluetooth is turned on in your phone's settings.

- **Open the Moto Watch Lite App**
- Launch the **Moto Watch Lite** app on your phone.

Select Your Moto Watch 120

In the app, go to the **"Account"** tab and choose your **Moto Watch 120**.

Phone Notification Settings

Tap **"Phone notification settings."** If prompted, grant the app access to your notifications by selecting **"Turn on now."**

Allow Notifications

Toggle the **Moto Watch Lite** switch to **"On"** and choose **"Allow"** to give the app permission to send notifications to your watch.

Choose Your Notifications

In the app, enable the toggles for the types of notifications you'd like to receive on your watch (e.g., calls, messages, app alerts).

Viewing and Managing Notifications

Automatic Notifications

Your Moto Watch 120 will vibrate and display new notifications automatically when they arrive.

Dismissing Notifications

- Swipe away the notification
- Press a button
- Or wait for it to time out

Access Saved Notifications

Swipe up from the watch face to view saved notifications (up to 10).

View Full Details

Tap any notification to see more details.

Clearing Notifications

Automatic Deletion

Old notifications are automatically removed when the 10-notification limit is reached.

Manual Clearing

Swipe up from the watch face to access the list, then tap the **delete icon** at the bottom to remove all notifications.

Important: Do Not Disturb (DND) Mode

When your Moto Watch 120 is in **DND mode**, all notifications are silenced. To start receiving them again, simply **disable DND** from quick settings.

By following these steps, you can easily control when and how you receive notifications, staying informed without unnecessary distractions.
