Customizing Your Watch Face on The Moto Watch 70

Inas B. - 2025-10-08 - Troubleshooting & Setup

Your Moto Watch 70 allows you to personalize your watch face with a variety of styles. Here's how:

Method 1: From the Watch Face

1. Long-press the touch screen while on the watch face.
2. After a vibration, the watch will show a zoomed-out view of available watch faces.
3. Swipe left or right to browse the 6 built-in watch face styles.
4. Tap the watch face to apply your chosen style.

Method 2: Using Settings

1. Swipe down from the watch face to access Quick Settings.
2. Tap the **Settings** icon.
3. Select **Watchface** from the settings menu.
4. Swipe left or right to view available styles and tap to select one.

Method 3: From the App

1. Open the **Moto Watch Lite** app on your phone.
2. Tap your watch under **My Watch**.
3. Select **Watch Face Settings**.
4. Choose from 50+ additional watch faces available in the app or create your own custom watch face.

These options give you the flexibility to choose the perfect look for your Moto Watch 70, whether you prefer pre-loaded styles or a wider selection through the app.
