How to Change Moto360 Watch Faces

Inas B. - 2025-10-08 - Product Features

Your Moto 360 lets you **customize and personalize** your watch to match your style and needs. From colors to complications (small widgets like weather or steps), you can make your watch truly yours.

Steps to Change a Watch Face

1. **Touch and Hold:** Tap and hold the screen to see all available watch faces.
2. **Browse Faces:** Swipe left or right to find the one you like.
3. **Select and Customize:** Tap the watch face you want. Choose your preferred **color and complication widgets** to complete the look.

 Tip: Experiment with different complications to have your most important info right on your wrist.
