How to Remove Apps from Your Moto 360

Inas B. - 2025-10-13 - Troubleshooting & Setup

Keeping your Moto 360 organized and clutter-free is easy. If you want to uninstall an app, follow these simple steps:

Step-by-Step Guide

1. **Wake Your Watch:**
    - Tap the screen if it’s dim to turn on your Moto 360.
2. **Open Your Apps List:**
    - Press the **power button** to access all installed apps.
3. **Launch Play Store:**
    - Scroll down and tap the **Play Store** app.
4. **Access Your Apps:**
    - Swipe down from the top and select **My Apps**.
5. **Select the App to Remove:**
    - Find the app you want to uninstall and tap on it.
6. **Uninstall:**
    - Scroll to the bottom and tap **Uninstall**. The app will be removed from your watch.

Now your Moto 360 stays organized, and you can focus on the apps you truly use.
