Storage and Memory

Inas B. - 2025-10-08 - Product Features

The Moto360 (Gen 3) offers a practical storage and memory configuration for apps, music, and files:

- **Internal Storage:** 8GB for apps, music, and data.
- **RAM:** 1GB for smooth operation and multitasking.
- **Tips:** Regularly uninstall unused apps and clear cache via the Wear OS app to maintain performance.
