Speaker and Microphone on Moto360

Inas B. - 2025-10-08 - Product Features

The Moto360 (Gen 3) comes equipped with a **microphone** but **no built-in speaker**. Here’s what that means for your experience:

- **Microphone Usage:** You can send voice messages via apps like WhatsApp or Google Assistant.
- **Audio Playback:** For music or calls, connect a Bluetooth headset or earbuds.
- **Notifications:** All alerts are conveyed through **vibrations**, adjustable in settings for subtle or strong haptic feedback.
